INTERESTING FACTS

Concerning the Work of the Toronto and York County Patriotic Fund Association, showing how it has almost doubled in the past year.

THE Fund started with 900 families. At December 31st, 1915, they numbered 5,780.

The total number of families on the Fund at the end of 1916 was over 10,000.

The dependents a year ago numbered 15,000. They now number over 28,000, of whom 17,712 are young children.

The amount paid out for relief to families in the month of December, 1915, was $87,158.98. In December last year it was $148,070.64.

The salaries paid for the administration of this Fund, to December 31st, 1916, amounted to $34,292.60. The number of employes averages 30 to 36 a month, and the highest salary is $100 a month. Several workers are included in the staff whose services are very valuable, and are given without remuneration.

Other expenses of the Fund, since its inception, are: Rent, $2,595.36; printing and stationery, $3,360.08; postage and telegrams, $3,240.08; war tax stamps, $5,555.89; office fixtures and supplies, $3,992.19.

Against expenses the Fund has received $16,000 from banks in interest.

The net expenses of the Fund are 1.6 per cent.

Of every $10.00 given to the Fund, the wives, mothers and children of soldiers receive $9.84.

Compassionate allowances total $24,558.94, and transportation—an allowance to families who during the first year and a half of the war were assisted to England—totalled $14,022.38. These allowances are now discontinued.

The families receiving relief are composed as follows:

1	wife	with	10	children	781	wives with	4 children
7	wives	"	8	"	1,344	" "	3 "
39	"	"	7	"	2,300	" "	2 "
159	"	"	6	"	2,833	" "	1 child
366	"	"	5	"			

There are also, on the Fund, 469 mothers of soldiers, 1,670 childless wives, 21 fathers, 12 guardians of soldiers' children, 18 sisters, two grandmothers, and one mother-in-law.

The average relief to a family is $15.75 a month.

The Patriotic Fund acts as lawyer, agent and guide for the woman bereft of her husband and the wounded and returned soldier, in the securing of pensions, and in setting in operation of the other machinery necessary in their dealings with the civil and military authorities. The Fund receives thousands of visits, and writes thousands of letters monthly, on matters that do not relate to its fundamental purpose, the dispensing of monetary relief. This work is done gladly without charge.

The Fund, in its relations as an intermediary between the man who gives and the man who goes, acts on these principles and requisites:

To the giver, (1) honesty, (2) economy in administration, (3) a guarantee that those who require relief will receive that utmost patriotic fairness to which they are entitled.

To the soldiers' dependents, (1) courtesy, (2) kindness, (3) fairness in dollars and cents distribution.

It is estimated that the Fund will require upwards of two million dollars to carry on its work of relief in the City of Toronto and the County of York during the year of 1917.

PRESIDENT'S OFFICE

JANUARY 17TH, 1918

DEAR SIR OR MADAM:

As you are aware the campaign for raising funds for the ensuing year in connection with the Toronto and York County Patriotic Fund is to be inaugurated on January 22nd. I have been asked to arrange again this year that subscriptions from members of the staffs of the University, Colleges and affiliated Hospitals should be sent through the University. The demands on the fund are such that it is hoped that we may be able to contribute liberally again this year. Subscriptions may be paid in ten monthly instalments.

Mr. Mouré has kindly consented to receive subscriptions as he did last year. Will you please make your subscription payable to the "Toronto and York County Patriotic Fund", and have it sent to Mr. Mouré, the Bursar of the University, not later than five o'clock on Wednesday, January 23rd?

Yours sincerely,

R. A. FALCONER

CHRISTMAS FACTS ABOUT THE CANADIAN RED CROSS SOCIETY.

Lady Drummond's parcel department of the Canadian Red Cross office in England sent out 22,000 Christmas parcels to wounded and sick Canadians in the week before this last Christmas.

These parcels for Canadian boys were filled with supplies sent from Canada, and tied up by Canadian girls now resident in England. What a delight to our wounded boys on Christmas morning!

The Canadian Red Cross provided the necessary organization for collecting and despatching these supplies from Canada and distributing them to the boys scattered in hundreds of hospitals in England and France. Their names are all on the Red Cross books.

* * * *

There was Turkey for dinner, and plum pudding and fruit on Christmas Day in the Canadian hospitals overseas. How did it get there?

Because the people of Canada gave the funds, and the Canadian Red Cross found out from the officer commanding each hospital what his patients and staff needed to give them a real good spread on Christmas Day, and saw that they got it.

* * * *

On Christmas morning 26,559 Canadian soldiers in hospitals in England and France found a Christmas stocking hanging on their beds. How did they get there?

The women and children of Canada made and filled them; the men helped to pay for their contents, and then the Canadian Red Cross collected them in Canada, shipped them overseas and distributed them to the boys on Christmas Day.

TORONTO SENT 6,922 STOCKINGS!

THE CANADIAN RED CROSS FEEDS AND CLOTHES THE CANADIANS IN GERMAN PRISON CAMPS.

The Canadian Red Cross feeds 2,196 Canadian prisoners of war in 91 German camps.

2,196 prisoners cost, approximately,	Each prisoner costs, approximately,
$263,520 a year	$120 a year
21,960 a month	10 a month
5,490 a week	2.50 a week

In what way can a Canadian spend 35 cents better than in providing necessary, nourishing food for our Canadian brothers daily suffering for us?

There are 2,196 Canadian prisoners of war on the books of the Canadian Red Cross Society. These men are confined in over ninety prison camps. Each man receives weekly 6 lbs. of bread (4 lbs. being sent from Switzerland and 2 lbs. from Holland) besides weekly parcels of food to the value of about $2.00 each parcel. The expense of feeding a prisoner now amounts to about $10 a month. The expense of providing this food is met—

(a) By specially designated gifts of money sent in to the Canadian Red Cross, or directly addressed to Mr. Rivers Bulkeley who is in charge of this department of the Society's work at the London office.

(b) From the general funds of the Canadian Red Cross Society, subscribed by the public in Canada.

One of the greatest difficulties in dealing with the needs of the prisoners is that they are so constantly moved from camp to camp; the Red Cross receives official notification of these changes.

Warm clothing and certain medical supplies are also permitted to be sent to the prisoners by the Red Cross Society.

The above figures will show the very heavy liability undertaken by the Society in the provision of supplies for prisoners, involving an outlay of nearly $22,000 a month or about a quarter of a million a year.

In addition to its other forms of work the Society has received, packed in regulation cases, transported and distributed overseas, supplies to the approximate value of:—

$8,000,000.00

The Society's reserve of stores is now practically exhausted.
